Nicole,

Attached is the documentation for Mr. Altbach's trust account. Please have them signed where indicated on each of the Authorization for Information, and Business Account Application, and return them to me by email. They do not need to be notarized.

The final pages in each set are the customized summary, and that explains the requirements to waive the fees on the accounts.

The accounts are open and ready for deposit. Please deposit at least \$100 into each account to get them activated; you will want to bring the savings to at least \$500 to avoid fees. You can access your accounts at any Wells Fargo location.

If you are wiring money into your accounts, the Wire Routing Transit Number (RTN/ABA) is 121000248. For a direct deposit (ACH), use the routing number 321270742. The account numbers are listed on the first page of the Business Account Application

Please contact me if you have any questions.

Michael
